

# *L'Osteria Del Pirata 945*

Offers you traditional sea and land dishes,  
revisited in a modern key and not.

Because sometimes there are traditional Tuscan dishes  
that cannot be changed,  
dishes that contain in their simplicity  
the flavors of the past.

*At the table we meet,  
we chat, we relax, we laugh,  
Sometimes we tease,  
but good food acts as a peacemaker.  
It is capable of restoring good humor  
even at the end of a tiring day.
